

ExCEL After School Program at Francisco Middle School in collaboration with  
Telegraph Hill Neighborhood Center

**2009-2010 Expanded Learning Program (ELP) Enrollment Process**  
*Frequently Asked Questions*

*How do I get an application?*

Enrollment applications are available in room 102 at Francisco Middle School.

*Where do I return the application?*

Applications can be returned to Karen's box in the Main Office or to Room 102.

*How do I know if I am in the program?*

ELP staff will contact the family to confirm enrollment into program. A returned application does not guarantee a spot in the program.

*What requirements are there to be in the after school program?*

Please see attached ELP goals/values to review who is accepted into the program. Priority is given to referrals. ELP reflects the school day population.

*How many students are in the program?*

There are only 140 after school spots. Once capacity is reached a waiting list will be started.

*When is the program open?*

ELP is open Monday-Friday 3:25-6:25m.

*What activities does ELP provide?*

3:25-3:50 students eat snack and sign into program. 4-5pm students do homework. 5-6pm students attend the enrichment or recreation club of their choice. Possible club options: gardening, bike riding/bike shop, knitting, music, media, book club, computer club, basketball, baseball, sport clubs, ping pong, art, youth leadership and much more!

*How much does ELP cost?*

The program is free. Students receive a snack, space to do homework, enrichment and recreation activities.

*How often does my student need to attend?*

Students are highly encouraged to attend ELP everyday until the end of program. Please talk to the ELP Director, Karen Bash, to make other arrangements.
